2019 Balance Sheet

The Treasurer warned that we again made a loss in 2019. Funds for Fladbury materials and tools were again required, the website costs increased and we sponsored the Cutters Cup, Associate membership was down. The Treasurer commented that this year will be the last to be affected adversely by Fladbury maintenance costs and the loss in 2019 will be offset by the sale of rights expected to be concluded before the next AGM. Measures agreed to halt the annual loss were to investigate cheaper insurance and internet supply. We also considered reducing prize money and increasing the Subscriptions but deciding against in 2020.
