Committee Meeting held 13/12/2023 at the Plough Inn at Shirley

Attendees;- FB, PF, BB, HP.
Apologies;- Chairman Dave Mullins.

Membership;-

Currently we have 40 Full Members and 14 Associate members, that's record membership and we believe the increase in membership is due to the superb condition of the fishery and allowing members living further afield to join.

Fishery Access & Bank Clearing

Eleven members helped over the season. We cleared the pegs early November following the floods, the River was in the fields again early December.

December Balance Sheet

The December Balance Sheet shows that Full Member Subscriptions Balanced and there was a small surplus from Fladbury Income. This means that for the first time there will be Club Prize Money available for the Winter League Series.

Committee Resignations

Brian Barton & H. Potter have both decided to leave the Committee at the end of 2023, the Secretary visited the Chairman to discuss how to proceed.

The Chairman thanked them both for their service and asked the Secretary to deal with the issue, the Secretary supplied acceptance Emails on the 23rd of November 2023 requesting that they both attend the final meeting of the year on the 13th December 2023. Brian & H attended the meeting.

The Committee thanked H for his efforts over the last seven years. Brian has decided not to renew his membership next season, the Secretary had earlier emailed Brian asking him to reconsider, after much discussion Brian said he would think about it over Christmas.

Committee Nominations

Prior to the meeting the Treasurer & Secretary agreed to approach suitable candidates and to put a notice on the Website requesting Nominations. The list will close on the 17th of December and in line with the Society's Constitution, only votes from members present at the AGM will be accepted.

Committee Meetings next Season

To enable Members from further afield to join the Committee we plan to hold quarterly Zoom meetings next season allowing all Full Members to consider joining the Committee.

AGM Planning

The Committee have decided to hold the AGM meeting more centrally to reach the many members residing locally to the river. We want as many members as possible to attend the meeting on Wednesday the 24th of January 2024.

Venue TBD.
